

For 40 years, The Doorways has been at the corner of healing and home. Since our incorporation in 1983, **more than 223,000 guests** have stayed at our home away from home with **more than 1.3 million nights of stay** – all made possible by our supporters.

Together, we create a community of compassion focused on **removing barriers to healthcare access** for those who do not have the medical treatment they need in their own communities. For 40 years, The Doorways has been dedicated to **providing healthcare access** so that everyone can receive quality care. Here's to 40 more!
